## TWO BEST PRACTICES INSTITUTIONALIZED BY IQAC

Till date our HEI has not got Accreditation by the 'NAAC', though the institution received grant from the UGC in 2014 (XII Plan) to establish IQAC. There was confusion in the establishment IQAC but after crucial consideration and with the consent of the management the institution established IQAC. As mentioned earlier the HEI does not have Accreditation of 'NAAC' so the AQAR was not sent to the 'NAAC' because of the absence of regular principal but IQAC has taken utmost care that HEI follows its ethics. IQAC tried its level best to monitor and provide quality in all sphere of academic activities.

### **Best Practice 1: Extended use of ICT in teaching-learning process**

- IQAC emphasized the use of ICT in teaching and learning for that it started encouraging the faculties to use ICT tools available in the Institute. It recommended purchasing the ICT tools, including latest configuration for PCs and projectors.
- The campus is facilitated by Wi-Fi system with 06 routers. The INTRANET facility is also provided to students through Wi-Fi and server. Students can easily see and download the study materials and e-contents such as ppts, video lecturers, animations, videos, etc., in their own smart phones.

## Best Practice 2: Organize Student-Centric Participatory Learning Activities

- IQAC emphasized to encourage teachers-students for organizing student centric participatory learning activities to make learning process easy and interesting.
- Participatory learning activities like power point presentation of seminars, assignments and project work are encouraged.
- Students are encouraged to participate in seminars, workshops, 'Saptdhara' program, NCC, NSS and other competitive events.
- As lecture-method is often boring without active participation of the students. In the group discussion and quiz activity students actively participate and freely ask their difficulties.
- Various departments conduct a number of activities like seminars, debate and elocution on current issues, group discussion, and science quiz. Such activities develop stage courage, skills of expression, thinking power among the students.
- The IQAC plays an important role relating to quality improvement amongst the staff. The IQAC always motivates to teaching staff for the participations and paper presentations in national and international Conferences and Seminars. The IQAC inspires teachers to publish research articles in reputed national and international journals.
