## About College :

- The DNPACC is located in Deesa - the vibrant town of Vibrant state, Gujarat on the bank of Banas River, Banaskantha District. Historically this town is known for West Zone British Army Regiment Camp. This town possesses cosmopolitan culture and popularly known Potato City of Gujarat.
- DNPACC established in 1969 by Sardar Patel Education Foundation, Deesa. In the beginning this college was affiliated to Gujarat University, Ahmedabad till 1986. After establishment of Hemchandracharya North Gujarat University, Patan this college has been affiliated to it.
- DNPACC was established to provide Higher Education to youth strongly founded on Indian culture, Values and Traditions. The primary goal of the institution is to make youth self-reliant and mould to become leaders in various spheres of society.
- This is one of the known and leading Grant in Aid Arts and Commerce College and covered under 2(f) and 12 (b) of UGC Act of 1956. The college is situated in a large beautiful campus in a peaceful area, and has the facilities of a large playground and a rich library.
- The dedicated and devoted teachers of the institution have always aimed at over-all development of the students.

## About Seminar :

- The idea of Viksit Bharat is a powerful tool that has the capacity to ignite young minds to produce innovative ideas that will transform India in next 25 years. By 2047, Bharat is set to leap forward into a \$30Trillion nation, from a \$4Trillion economy; by disrupting and transforming various sectors for their contribution is it Healthcare, Information Technology, Agriculture, Services, Manufacturing etc.
- The concept of Vision 2047 holds immense significance in shaping the future of higher education in India. It serves as a roadmap that outlines the long-term goals and aspirations for the sector, guiding policy decisions and strategic planning.
- Vision 2047 envisions a transformed higher education landscape that is globally competitive, inclusive, and responsive to the changing needs of society and the economy.
- It emphasizes the importance of quality education that equips students with the necessary skills and knowledge to succeed in the 21st century.
- Additionally, Vision 2047 recognizes the need for increased research and innovation, as well as the importance of collaboration between academia, industry, and government.
- By aligning efforts towards the realization of Vision 2047, Indian higher education can undergo a transformative journey that not only addresses current challenges but also prepares the sector for future opportunities and advancements.

## Call for Papers :

- The two days international seminar invites research paper from **Arts, Commerce, Management, Computer Science, Law, Education, Home Science, Science and Technology** subject's academicians, Ph.D. scholar, UG and PG students.
