32. SWOC analysis:

a. Strength

- I have the ability to explain complicated concepts of my subjects clearly.
- I always accept what I can do well and what I can't.
- I have a genuine concern for my students, a zest for teaching, and a love of learning.
- Good classroom management, idea implementation, and innovative teaching is my strength.
- I know what to avoid in the classroom as a teacher and have a good teaching plan.
- I was always been a perfectionist. I try to do every task at hand to the best of my ability.
- I am a good mentor for my students and have experience in correspondence work.
- I will always be learning the new and innovative way of teaching.
- Ability to solve conflicts, high level of emotional intelligence.
- Communication and social skills.

b. Weakness

- Sometimes overly enthusiastic.
- I continue to strive to improve my time management because there is a lot of content to teach, lots of lessons to prepare, materials to gather, and a new strategy to learn.
- I am not well in Gujarati language because it is not my mother tongue.
- I am an emotional and sensitive person, sometimes it acts as my weakness.

- Easily and quickly believe in people.

c. Opportunities

- Growing up through collaborative learning with colleagues.
- Self-reflecting and self-reliance on my own teaching and research facilities.
- Learning opportunities enabled me to create a free discussion of ideas, to challenge others and my own way of thinking.
- Collaborative learning beyond individual learning.
- Teaching here helps to compare different cases and different perspectives for the same issues, as college have students from rural and semi-urban areas.
- Partnership and collaboration with industries and cooperative sectors for academic purposes will help to explore more in professionalism.
- I can be a multi-purpose and dynamic coordinator as my name is listed in many important committees of the college.

d. Challenges

- Time commitments – need a significant amount of time to work productively and deliver lectures effectively.
- Semester system is a Challenge for a good teacher – because she/he needs to perform her/ his academic and its extensive functions well.
- Sometimes unnecessary involvements of colleagues interrupt enthusiasm.
- Lack of individual working freedom, faculty can't take any initiative to improve innovative teaching and academic extension activities, and they need permission from intermediary positions. Sometimes they are not much supportive due to some unexplainable reasons.
- To make weaker students equally competent as clever ones.

33. Future plans

- More ICT based lectures and classroom seminars
- Educational trips to enhance students for practical knowledge.
- To arrange Fieldwork for students.
- To bring educational based Minor and Major projects
- Make the teaching-learning process more interesting through live examples and case studies.
- Wish to add more strength to my teaching through innovative methods.
- Add some new teaching strategies and get organized.
- To encourage and promote students for research work.
- To conduct National and International Seminar
- To collaborate with more corporates and industries for more employment opportunities for students
